

Family, Staff, Volunteer and Essential Visitor Update December 11, 2023

SUSPECTED COVID-19 Outbreak: Michigan & Superior Unit

December 11, 2023 – We have 1 resident on Michigan and 1 resident on Superior test positive for Covid 19 over the weekend which puts us in a 'suspected' outbreak. Lambton Public Health unit is aware and will provide us with direction daily.

Communication will occur if new resident cases are added.

Outbreak Protocols:

General visitors on Huron & Superior - All visitors to the affected units must wear a surgical mask and face shield.

Essential Visitors only for Covid positive residents – please follow all posted signage when visiting an ill resident. If you have questions related to putting on and removing your PPE please ask the nurse on the unit.

Resident Christmas Party – we are very hopeful that we don't have any new cases arise. We will engage in discussion with Public Health and our team tomorrow and will let you know whether we will be moving forward with the Christmas party or not on the unaffected units.

No crossover from unit to unit.

If you have any questions related to the above, please reach out to myself at the number/email below.
