

Family, Staff, Volunteer and Essential Visitor Update – October 22, 2024

COVID Outbreak: Rest Home

October 22, 2024– We have 4 residents in the Rest Home; one confirmed with COVID. The other three residents have been placed in isolation and testing is underway. Lambton Public Health unit is aware and will provide us with direction. They will be in to do a walk through today.

Communication will occur if new resident cases are added.

Outbreak Protocols:

Essential Visitors ONLY in the Rest Home, no general visitors permitted. All EVs must wear surgical mask while in the Rest Home in all areas.

Visiting Isolated Residents - Please follow all posted signage when visiting an ill resident. If you have questions related to putting on and removing your PPE please ask the staff on the unit.

No crossover to the Nursing Home: if you have loved ones in both homes, please visit each loved one on separate days to prevent any illness from crossing to the other Home. Thank-you!

Essential Visitor Training – if you are not an essential visitor and wish to become one please contact Wendy at reception and she will book you in for the training. She can be reached at (519)336-6551 ext. 71710

As always, please do not visit if you are feeling unwell.

If you have any questions related to the above, please reach out to myself at the number/email below.

Thank you,

Virginna Bright
