

Family, Staff, Volunteer and Essential Visitor Update – Dec 9 2025

Rest Home – Respiratory Outbreak

- 10 residents are in isolation in the Rest Home due to respiratory illness. We added another resident yesterday afternoon. Public Health also requested we add the residents who were sent to hospital last week with respiratory symptoms to total 10 residents.

We are in communication with Public Health routinely and the type of organism is un-determined at this time. Testing is underway. Public Health will continue to work with us for the duration of the outbreak.

Outbreak Protocols:

Essential visitors ONLY in the Rest Home – all Essential Visitors entering the Rest Home must wear a medical mask. Please be aware and read all posted signs in the home for further direction.

Visiting ill residents - Please follow all posted signage when visiting an ill resident. If you have questions related to putting on and removing your PPE please ask the nurse on the unit.

Essential Visitor Training – if you require EV training, please contact Reception at ext. 7170 to arrange.

Palliative Care/End of Life – general visitors welcome however, the Rest Home Clinical Manager must approve each visitor entering the home

No crossover to the Nursing Home at this time.

If you have any questions related to the above, please reach out to me at the number/email below.
