Staff Line List	9	
Close Contact Staff	Employees are to self-monitor for symptoms and report if symptomatic.	
Screening	Positive residents require an assessment completed every shift and document findings in an Infection Progress Note . Close Contacts (roommates/tablemates) require twice daily screening. ALL other residents require once daily ARI screening in PCC. Respiratory swab were sent Friday morning to identify the pathogen.	
Visitors	Essential Visitor's only for Rest Home	
Risk Mitigation	All staff to complete daily self screening before coming in for their shift. Do not come to work if you are not feeling well. Provide list of symptoms when calling in for a shift. Ministry of Labour/WSIB will need date and pictures of signature and proof of positive test.	
Recreation	No cross over between homes. No Large Group programming. Small group programming with social distancing. Spousal visiting will be arranged with rec dept. Recreation Dept. to coordinate safe meetings for spouses who reside in both homes.	
Appointments/LOA	Cancel all non-essential appointments for affected residents if applicable. <u>No LOA's if agreed to by Resident and POA.</u> Residents have the right to leave from the OUTBREAK area – they cannot be maintained in the Home against Resident Bill of Rights.	
Resident Meal Service	FSM will separate close contacts in the dining room throughout outbreak.	
PPE	Follow signage on door when entering isolation room. All staff/visitors must wear a surgical mask	
Admissions	Will utilize LPS algorithm for admissions	
Smoking	As per usual	

RD/PT/HAIRDRESSING	All staff disciplines can enter isolation rooms (no students). Residents can still participate with PT/ SW etc.
Hairdressing	Will re-evaluate salon schedule for Rest Home residents next Monday at this time no cross over.
Laundry	PPE required for laundry of infected residents.
Staff Break	Ensure proper donning of masks is maintained at the beginning and end of break time.

Distribute paper copies to: (via in person or email)

- Hairdresser
- Admin Team
- Department Managers: Hard Copies to go to each department for enhanced communication

A daily update of the outbreak, residents affected, and residents cleared is sent via email to the Administrative Team.

A daily update of residents meeting case study definitions is posted on the PCC Home Page.
