

**Family, Staff, Volunteer and Resident Update – January 15, 2026**

**Nursing Home – Gastro / Enteric Outbreak – Entire Home**

- 28 residents are in isolation throughout the Nursing Home due to gastrointestinal illness.

We are in communication with Public Health. We are still not confirmed on the type of organism it is. We have tested and are still waiting on results.

Public Health will continue to work with us for the duration of the outbreak.

**Outbreak Protocols:**

**Essential visitors ONLY in the Nursing Home** – Please be aware and read all posted signs in the home for further direction.

**Essential Visitor Training** – if you require EV training, please contact Reception at ext. 7170 to arrange.

**Visiting ill residents** - Please follow all posted signage when visiting an ill resident. If you have questions related to putting on and removing your PPE please ask the nurse on the unit.

**Palliative Care/End of Life** – general visitors welcome however, the Charge RN must approve each visitor entering the home.

No crossover to the Rest Home at this time. EVs who have family living in the RH are encouraged to not visit on same day if possible. Recreation Dept. to coordinate safe meetings for spouses who reside in both homes.

If you have any questions related to the above, please reach out to me at the number/email below.
