

Family, Staff, Volunteer and Resident Update – January 20, 2026

Nursing Home – Norovirus Outbreak – Entire Home

- Has spread quickly throughout the home. It is hitting both residents and staff.

We are in communication with Public Health. We have been confirmed with Norovirus.

Public Health will continue to work with us for the duration of the outbreak.

Outbreak Protocols:

Essential visitors ONLY in the Nursing Home – Please be aware and read all posted signs in the home for further direction.

Essential Visitor Training – if you require EV training, please contact Reception at ext. 7170 to arrange Monday to Friday, this training will not be given over the weekend at this time.

Visiting ill residents - Please follow all posted signage when visiting an ill resident. If you have questions related to putting on and removing your PPE please ask the nurse on the unit.

Palliative Care/End of Life – general visitors welcome however, the Charge RN must approve each visitor entering the home.

No crossover to the Rest Home at this time. EVs who have family living in the RH are encouraged to not visit on same day if possible. Recreation Dept. to coordinate facetime visits with spouses who reside in both homes during the outbreak.

If you have any questions related to the above, please reach out to me at the number/email below.
